## GERMAINE DE CAPUCCINI

Created in Spain over 50 years ago, *Germaine de Capuccini* is one of the leading Skin Care lines for upscale Spas worldwide. Our Luxury line is crafted in one of Europe's most modern research and manufacturing facilities where each product is exclusively crafted with carefully selected plant and marine ingredients. Our "Green Chemistry" manufacturing process indicates our products are made with only natural and organic ingredients; we reject animal experimentation and any process which could end up in environmental damage.

### HISTORY

It was 1964 when *Carmen Vidal*, a strong, energetic and vital woman, brought to life her great creation: Germaine de Capuccini. The beauty secrets learned in Algiers during her childhood and the skincare techniques acquired in Paris were to become the hallmark of one of the most important professional skincare companies in the world.

The passion *Carmen Vidal* had towards beauty was universal, together with her entrepreneurial and visionary character were determining for the company to begin expanding its philosophy and exclusive know-how to all the continents of the world in 1983. Currently Germaine de Capuccini is managed by the second and third generation of the Vidal family and it is found in more than 80 countries around the world, where you can find innovative professional treatments with exclusive application methods and effective products for maintenance at home.

### RESEARCH, DEVELOPMENT AND INNOVATION

The more than 200 highly qualified professionals who make up the staff of *Germaine de Capuccini* have a common commitment: the quality of products. With this commitment, *Germaine de Capuccini* has created its own Research, Development and Innovation department formed by experts in professional skincare who, in close medical-aesthetician collaboration, submit all the products and treatments to rigorous effectiveness testing and comprehensive quality controls. This guarantees the products' safety and results before, during and after each process and use.

### OUR COMMITMENT WITH THE ENVIRONMENT

*Germaine de Capuccini* is one of the first companies on the skincare sector committed in protecting the Environment, the regulations of Quality Control, the prevention of Workplace Risks and the conciliation of Family Life and Work Life. This is certified by the INTEGRATED MANAGEMENT SYSTEM (4G1). Additionally, Germaine de Capuccini is certified as the first professional skincare company committed to compensating and reducing the emissions of CO<sub>2</sub> included in the CO<sub>2</sub>zero project; and has voluntarily been certified in the fulfillment of the Good Manufacturing Practices (GMP) for Skincare Products. This certification means adapting the requirements of the good manufacturing practices for the pharmaceutical industry to the skincare industry.

## SIGNATURE FACIALS

Based on classic European techniques, these facials will treat every skin type on an individual basis. Starting with inhalation of essential oils, cleanse and renewing exfoliation with mint; followed by an intensive concentrate of facial serums, massage creams and tailored masks, finishing with a grand finale of our award winning moisturizers.

### HYDRATION

An innovative approach for moisturizing the skin-cells by protecting them against the dehydration process and increasing their capacity of creating moisture reserves through Hydra-System.

Germaine De Capuccini Hydra-System combines a technical process of two compatible sugar molecules resulting in the ultimate skin hydration.

### ANTI-AGE

With active Isoflavones, plant molecules, the skin recovers elasticity, stimulates the production of collagen, and regulates pigmentation. The oil extracted from luffa cylindrical seeds helps the skin recover the normal lipids. In addition the natural fruit flakes rich in vitamin C from: orange, mango, and apricot only found in this one of a kind facial, give the skin a unique elixir.

### OILY SKIN

With a combination of high quality ingredients of our exclusive Control Complex, an association of zinc salts, vegetables extracts and vitamin B8; this facial acts in a synergetic method to balance the production of sebum, fight pore blockage and reduce the inflammation and bacterium spread.

### ACNE PRONE

Create a more clean and balanced skin with a unique combination of Salicylic Acid, Red Clay and Tee Tree Oil. The pores are diminished, the bacterium is controlled and the skin is more mat. This is a must, to reduce excessive sebum secretion and to normalize the condition of the stratum corneum.

### NATURAE ORGANIC WHITE TEA

Certified by the French Organization, Ecocert®, this facial is guaranteed to be 95% organic with no silicones, parabens, preservatives or artificial coloring. Formulated with organic white tea extract and organic water of barley shoots of orange and mint, this facial provides extraordinary anti-polluting and anti-oxidizing properties and intense, lasting hydration for all skin types.

### VITAMIN C+ A.G.E.

Repair environmental damages and other signs of aging with the first professional treatment that counteracts the negative effects of skin glycation that set off premature skin aging, in combination with innovative technology of Pure Vitamin C. Sicilian Oranges and Ume Extract, favor the natural mechanisms of the skin deglycation and prevents premature aging by increasing collagen and boosting firmness and hydration for results you can instantly "C".

## **COSMECEUTICAL FACIALS**

Non-invasive and painless therapies aimed at solving the main aesthetic concerns. A collection of prestigious clinically advanced line of products on the borderline between medicine and skincare that has been especially formulated to deeply improve the appearance and quality of the skin.

Highly effective, they ensure unbeatable results thanks to the combination of innovative technology with Germaine de Capuccini's most advanced skincare.

### **SO DELICATE**

Reconciling care that provides immediate relief and comfort for the most sensitive skin. A combination of phytoactive extracts from Corn, Calendula, Carrot, and Rice that restores the skin's maximum well-being. Day after day, the skin feels more protected, more tolerant and less sensitive.

### **SKINZEN ROSES**

An intense bath of beauty and well-being for tired and stressed skin. Suitable for people under emotional stress: skin with redness, dehydrated with signs of fatigue and premature signs of aging. This effective anti-stress treatment is based in the cosmetic benefits of a splendid combination of rose extracts and plants, such as Gallic Rose: a symbol of eternal beauty, Artic Rose: neuro-cosmetic ingredient, Black Rose: natural softener and White Rose: cleanser ingredient. Hydrating Treatment.

### **EXPRESS ENERGY DETOX**

Intensive recovery treatment that instantly purifies and oxygenates the skin being suffocated by the visible damages caused by the environment. It combines the oxygenating benefits of Pure Vital Clay with a powerful enzyme complex, Defence Detox complex, working against toxins, thanks to its power to both protect and detoxify. Anti – Aging Treatment.

### **COSMECEUTICAL INFUSIONS**

Boost any facial by adding a cosmeceutical infusion for anti-aging, Multivitamins, Collagen, Hyaluronic Acid, or Retinol.

### **DARK SPOTS FACIAL**

Give your day a boost! Experience a facial dedicated to create an even skin tone focusing on the overall health and balance of your skin. We have created a cocktail of ingredients sure to excite the everyday spa-goer! We start this incredible treatment with Glycolic Peel of Citric and Tartic Acid for deep exfoliation and a full renewal of the epidermis. Following this cleanse we use the latest in medical aesthetics, carboxitherapy delivering pure CO2 into the skin to stimulate blood micro-circulation for a better penetration of the pure vitamin C within the mask to even the tone of the skin.

### **ANTI-AGING COLLAGEN**

This treatment provides anti-aging technology and an intense hydration targeted to bring you a younger looking skin that beams radiance. Achieving an optimal level of lasting hydration is possible thanks to the high technology of the "marine collagen" mask. Give your skin what it needs and allow it to absorb our marine collagen to boost your own production and enhance hydration for a softer and fresher skin.

## VIP FACIAL TREATMENTS

Offering solutions with the latest in skincare technology, with a specified collection of highly concentrated and potent active ingredients, targeted to provide luxury, healing and the ultimate results. Each collection comes pre-designed and pre-measured, to ensure portion control and result effectiveness.

### **TIMEXPERT RIDES – ANTI WRINKLE**

The ultimate wrinkle treatment with no micro-injections. Micro-Dermoxine Complex®, an exclusive combination of peptides and Soy extracts, help give the face a true breath of youthfulness. The perfect treatment for people who want to eliminate expression lines and wrinkles. For those who have decided to have micro-injections, this treatment is an ally, as it prolongs their effects and makes it possible to delay future treatments.

### **FOR MEN TREATMENT**

Inspired by shiatsu massage techniques, this energizing and detoxifying treatment is an exclusive cocktail of ingredients including birch sap, trace elements and vitamin C, designed for men. This therapy soothes rough, sensitive skin with a special emphasis on pore cleansing, razor blade irritations, and dehydrated skin. The fresh and light textures will provide men's skin with firmness and suppleness.

### **HYDRACURE - HYDRATION**

Combat signs of dehydration with this concentrated and advanced treatment, ideal for all skin types, but especially designed for those with high levels of dehydration. After the skin is cleansed and dead cells are removed, the skin is ready to absorb all the "hydroactive" formulas that will restore the skin's natural hydration using Hyaluronic Acid, plant ceramides, thermal water and marine collagen. Instantly, skin absorbs the active ingredients into deep layers, providing a new intense and lasting hydration. Skin appears silky, rested, and beautiful.

### **TIMEXPERT LIFT IN - LIFTING**

The Ultimate Facial to lift and re-define facial features. At the heart of this treatment, lies our unique exclusive complex, V-Matrix. With flaccidity in the skin beginning in the deepest layers, V-Matrix works at the root of the problem to rebuild and restructure the dermis, transforming the skin from the inside out. This state of the art cosmetic treatment brings instant, visible results to the skin recovering firmness and density.

### **TIMEXPERT SRNS – GLOBAL ANTI AGING**

Every day, thousands of our cells are damaged by lifestyle and environmental aggressions. Over time, the gene structure within these cells becomes unable to repair itself and stops producing essential proteins that naturally slow down the aging process. The SRNS Global Anti-aging Program reactivates the dormant genes and boosts cellular regeneration using "Epigenol" and "Zinc-Glycine Complex". A powerful all-round anti-aging treatment that focus on the improvement of wrinkles and flaccidity, skin detoxification and relaxation based on three essential targets: Restoring, Recovering and Filling.

### **EXCEL THERAPY O2 – ANTI POLLUTION**

Oxigenating anti-pollution facial for suffocated skin. This new therapy includes two revolutionary masks to repair and defend the skin against pollution damage and external stress. The bubble mask releases Pure Oxygen into the deep dermal layers of the skin and the dual mask activates the skin's immune system. The therapy includes a highly relaxing, lymphatic facial massage to de-stress and detoxify the skin.

## **FACIAL UPGRADES**

Upgrade any facial to provide further benefits to the skin.

### **EYE CONTOUR**

Revitalize your Eyes with this effective skin solution. Our eye specific treatment works instantly on the lines and wrinkles on the contour area of the eyes. Rejuvenating the contours and giving smoother skin in record time thanks to a combination of peptides and soy extract.

### **FACIAL PEEL**

Based on the action of the alpha hydroxi acids (AHAs) and more specifically on glycolic, tartaric and citric acid, this peel accelerates the skins natural cellular renewal process for a clearer and younger looking skin. This peel is boosted with the latest trend in aesthetic medicine, Carboxitherapy, pure CO2 on the surface of the skin producing a singular bubbling sensation that stimulates blood micro-circulation and gives a detoxified and revitalized result.

### **FACIAL DEEPING**

This is an enzymatic peeling based on the natural properties of papaya and pineapple, while balanced with a gel that is based on valerian plant extract that calms the skin. Recommended for very oily, acne prone, sensitive and rosacea skin type. This deepening process allows cleansing with NO STEAM. The natural enzymatic process will soften the cornea layer of the skin, making extractions less painful.

## BODY SCRUBS

Exquisite exfoliations based on ingredients from the sea and precious stones that will discover the smoothness, well-being and youthfulness of the skin.

### OCEAN BLISS

Frees the skin of dead cells by means of a delicious massage with a taste of the sea that will leave the skin extremely smooth, deeply hydrated and supple. It is ideal to be used as a dry Scrub as the particles are easily brushed with a dry towel; however, it can also be watered off.

### PRECIOUS STONES

A precious stones refining powder of extraordinary fineness that when mixed with the body cream becomes a spectacular mousse. The skin is renewed and restored with Amethyst, Sapphire and Ruby. Dead cells are eliminated and the skin micro-relief is improved.

## VIP BODY THERAPIES

Innovative body treatments inspired by the luxury of precious stones, the natural protection of the orange and the renewing and drainage effect of natural ingredients. Germaine de Capuccini presents a wide range of products that sublimate the skin and delight the senses.

## BODY WRAPS

Pleasant wraps that have infinite properties. A special moment of maximum comfort for body and mind.

### MEDITERRANEAN WRAP

This wrap offers multiple species of plants and bushes from the Mediterranean vegetation. Its fragrances, textures, lively colors and its skincare properties promote a natural source of well-being. Ideal for sun burns or as a hydration therapy.

### MARINE MUD

Experience a sensational, slimming and detoxifying wrap that contains micronized brown algae rich in iodine, for a deep detox. In combination with marine muds, this wrap stimulates and balances the vital functions of the skin. Activates the cellular metabolism and absorbs toxins, providing a decongesting action that stimulates lymphatic circulation and activates blood circulation.

### ENERGIZING ORANGE THERAPY

Firming treatment with high nourishing power that due to its composition in Vitamin C and fruit ingredients, like Lemon and Papaya, improves the skin's firmness and suppleness, recovering all its vitality and energy. This energizing body treatment starts with Vitamin C exfoliation followed by a Collagen boosting body wrap. Thanks to its light texture and to the reflecting micro-pigments, the skin is instantly hydrated and very luminous.

### SLIM AND ANTI-OXIDANT THERAPY

Dramatically reduces cellulite with a unique combination of more than twenty active ingredients that work in synergy to help reduce the adipose tissue, get rid of the "orange-peel" skin and tauten flaccid skin again. A Lipo-Active Renewing Wrap is applied to eliminate toxins, improve circulation and oxygenate the skin. A final drainage and remodeling massage with the Firming and Reducing Oil-Booster, a 100% active formula made of infused oils of pomegranate, green coffee, pepper and apricot, re-sculpts the silhouette and restores skin firmness.

### SPA GOLD THERAPY - HYDRATING

The most exclusive therapy to enjoy new sensations leading to total well-being. Enjoy glamour and sophistication while revitalizing the skin in this body therapy based on "marine gold", bio-minerals and trace elements. This nourishing gold treatment offers an exquisite emulsion of Golden Nectar and a Golden Body Wrap enveloping the skin in a golden veil and covering it with beautiful reflections.

## BODY MESSAGES

Wonderful massages that combine the properties of natural ingredients with the most relaxing movements. Restore the physical and energetic balance of the body, mind and spirit.

### AROMATHERAPY MASSAGE

Let your mind and body be transported to a land of tranquility and a state of deep relaxation. The aroma collection is made from a blend of 5 essential oils, which will be combined with the massage cream or oil to indulge in its benefits during the time of the massage.

Relaxation Blend	Aqua Blend
Vitality Blend	Active Blend
Svelte Blend	

### ALGAE MASSAGE

Incorporate caffeine, seaweed extract and algae oil to detoxify your body. This powerful massage stimulates the elimination process and restores smoothness and firmness to the skin. Reduces the appearance of cellulite and hydrates the body.

### COLLAGEN MASSAGE

Include marine collagen, Ginkgo Biloba and horse chestnut to tighten your body. A powerful toning massage while strengthening your body gives it elasticity and hydration. Remodel your figure with this amazing massage.

## MASSAGE ENHANCEMENTS

### BODY BOOSTERS

Enhance your massage with our new boosters! These new ultra-concentrated formulas when added to the massage cream create the perfect ally against cellulite and flaccidity. The **Lipo Attack** booster, with lipolytic effect, is a combination of extracts of Grape, Sweet Orange and Sacred Lotus. The ingredients of the **Drain Booster**, like Ficus, Ginkgo Biloba, Goldenrod and Lemon, give the booster a powerful draining effect.

### CHAKRAS GEMS

This collection of semi-precious minerals has natural chromatic tones corresponding to a main chakra. Seven gems: Red Jasper, Red Aventurine, Yellow Jade, Rose Quartz, Green Quartz, Sodalite and Rock Crystal balance the energy points of the body, facilitating physical and emotional well-being.

### NAUTILUS SHELLS

Enjoy the natural feel of the ocean with the expert technique of your massage therapist. Enjoy the nautilus shells on the back with relaxing gliding movements, sure to distress even the deepest tension.

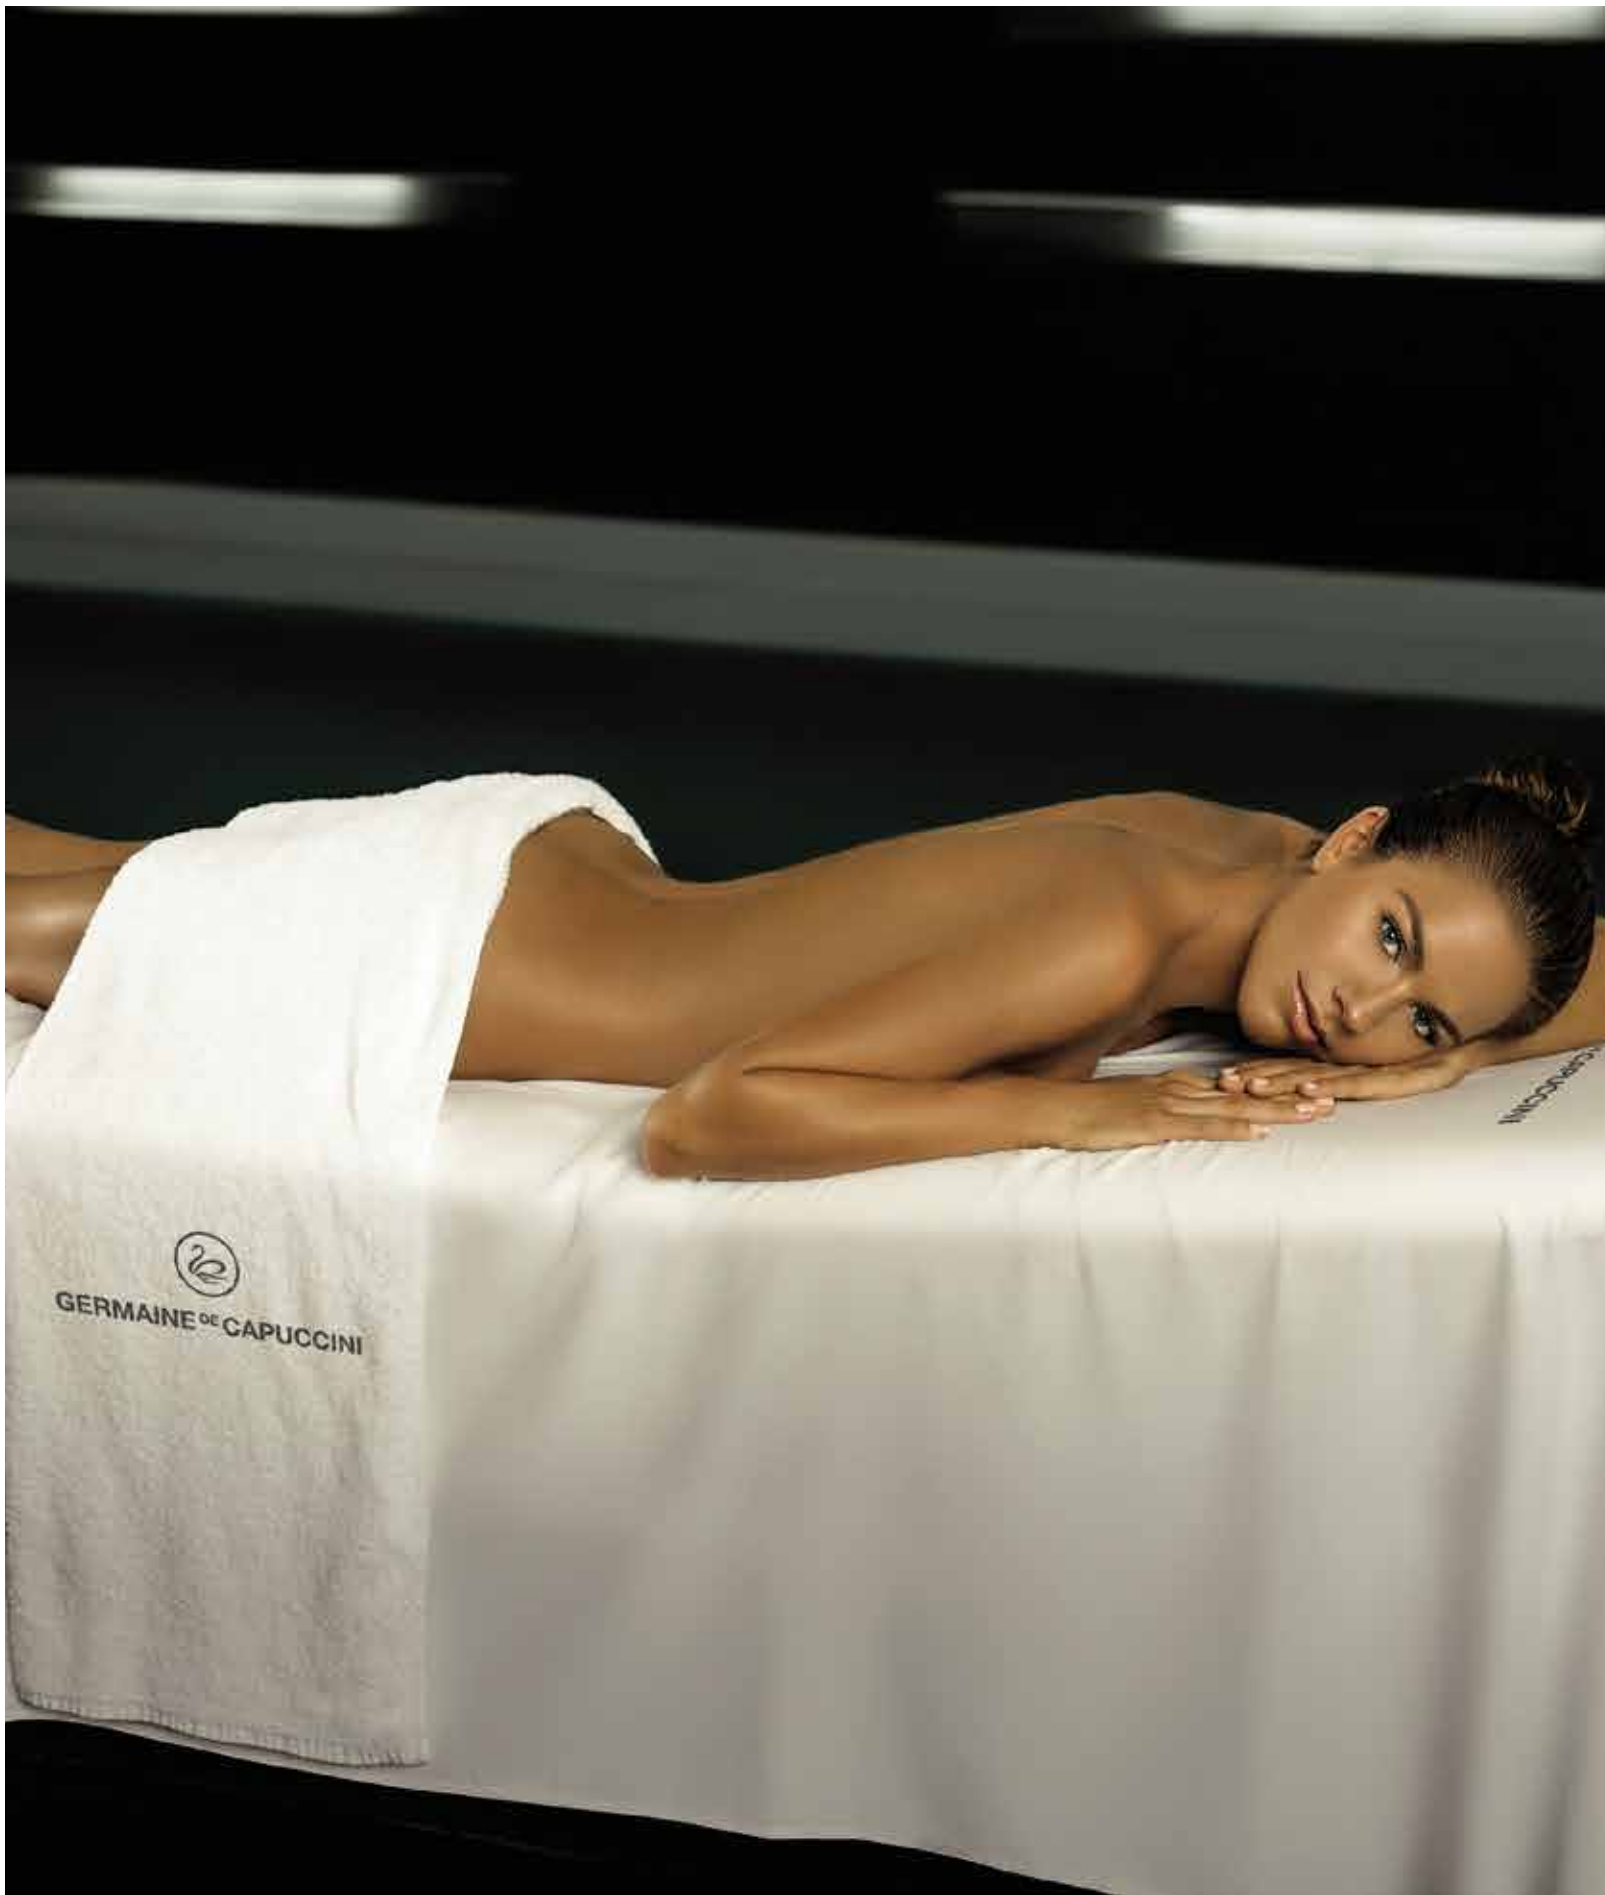

### HOT PINDAS

The revolution to hot stone relaxation. The re-usable hot pinda provides deep relaxation, warmth and stimulation through volcanic stones uniquely pressured and placed throughout the body.

### MASSAGE STICK

Our unique massage stick will be your therapist newest companion. Allow us to help save their hands during deep tissues massages and other vigorous treatments, including reflexology.
